Submucosal Lifting Agent

**THE LIFT YOU'VE BEEN WAITING FOR**

GI Supply has been the manufacturer of the leading endoscopic tattoos, Spot® and Spot® Ex, for 20 years and has been used in more than 5 million cases.

GI Supply continues to expand its submucosal injection offering with innovative yet affordable devices to make your job easier. As a small family owned company, founded by a gastroenterologist, we have your practice's best interest in mind.

### INDICATION FOR USE

EverLift Submucosal Lifting Agent is indicated for use in gastrointestinal endoscopic procedures for submucosal lift of polyps, adenomas, early-stage cancers, or other gastrointestinal lesions prior to excision with a snare or other appropriate endoscopic device.
